SHELF-LIFE, WARRANTY and DATE OF MANUFACTURE

Dear ITW Pro Brands Customer:

Shelf-Life

ITW Pro Brands defines **shelf life** as the time period in which a chemical substance or blended preparation is chemically and physically stable. Most LPS brand products are derived from synthetic materials and have virtually indefinite physical and chemical stability; to maintain practical retention and testing policies, we limit the published shelf life for these products to **ten years**.

Some solvents can become acidic with time and affect both packaging and surfaces upon which they are used. Water-based preparations may spoil due to mold and bacterial growth despite careful sanitization procedures during manufacture and the presence of anti-microbial agents in the product. High solids coatings will form a solid “cake” of that cannot be easily or uniformly re-dispersed by the user. These facts require us to categorize a number of items in our product offering as having shelf lives of three years or less.

Warranty Policy

ITW Pro Brands (“ITW”) warrants for a period **from the date of manufacture** (the “Warranty Period”), under normal use as determined by ITW, the Products: (a) will conform to the specifications or other descriptions; and (b) will be free from substantial defects in material and workmanship.

In the event of a breach of the warranties set forth above (the “Warranties”), ITW will, at ITW’s option and as ITW’s sole liability and Purchaser’s sole remedy, replace or credit Purchaser’s account for any Product that fails to conform to the Warranties, provided that during the Warranty Period (i) ITW is promptly notified in writing upon discovery of such non-conforming or deficient Product; (ii) ITW is given a reasonable opportunity to investigate all claims; and (iii) ITW’s examination of such Product confirms the alleged deficiencies and that the deficiencies were not caused by accident, misuse, neglect, unauthorized alteration, or improper testing.

EXCEPT AS SET FORTH ABOVE, THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, AS TO DESCRIPTION, QUALITY, MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, PRODUCTIVENESS, OR ANY OTHER MATTER, OF THIS PRODUCT. THE MANUFACTURER SHALL BE IN NO WAY RESPONSIBLE FOR THE IMPROPER USE OF THIS PRODUCT.

Brand	Warranty Period
LPS	Workplace Hand Cleaner Towels: 1 year
	Cold Galvanize, aerosol and bulk: 1 year
	All other aerosols and bulk chemicals: 3 years

Determining Date of Manufacture:

Brand	Date of Manufacture Codes
LPS	The date of manufacture for all LPS brand products is a five digit code (“YYDDD”).
	<ul style="list-style-type: none"> The first two digits indicate the year in which the product was manufactured (eg. 14 = year 2014) The last three digits indicate the day of the year (1-366)

“Certification” Policy

ITW Pro Brands maintains a database that allows us to generate Certificates of Conformance for nearly all LPS products on demand. This feature is available on-line to our customers at our website www.lpslabs.com. For Certificates of Analysis, processing will take longer depending on the level of information required.
