

MATERIAL SAFETY DATA SHEET

LPS[®] T-91

Non-Solvent Degreaser

Revision Date: 1/13/10

Revision 3

Supersedes: 7/20/09

Section 1 • Product and Company Identification

Product Name:	LPS [®] T-91 <i>Non-Solvent Degreaser</i>
Part Number:	06328, 06301, 06305, 06355
Chemical Name:	Surfactant Mixture
Product Use:	A pH neutral degreaser designed to remove grease, oil, and other contaminants from various surfaces.
Manufacturer Information:	LPS Laboratories, 4647 Hugh Howell Rd., Tucker GA, USA 30084
TEL:	1 770-243-8800
Emergency Telephone Number:	1-800-424-9300 Chemtrec; Outside U.S.: (703) 527-3887
FAX:	1 770-243-8899
Website:	http://www.lpslabs.com

PLAIN LANGUAGE HAZARD SUMMARY

Material Safety Data Sheets can be confusing. Federal and State laws require us to include a great deal of technical information that probably will not help the non-professional. LPS includes this "PLAIN LANGUAGE HAZARD SUMMARY" to address the questions and concerns of the average worker. If you have additional health, safety or product questions, do not hesitate to call us at 1 770-243-8800.

Worker Toxicity

LPS[®]T-91 Non-Solvent Degreaser is a pH neutral degreaser designed to remove grease, oil, and other contaminants from various surfaces. This product is a mild eye irritant and extended exposure to skin may cause irritation. Wear protective eyewear while using it and avoid prolonged skin exposure. For more exposure and first aid information, refer to MSDS Sections 2, 4, 8 and 11.

Flammability

LPS[®]T-91 Non-Solvent Degreaser is non-flammable having no flashpoint.

Disposal

Dispose of in accordance with local, state, provincial, and federal regulations. See section 13 for more details.

EPA/DfE Recognition

EPA/DfE recognition does not constitute endorsement of this product. The Design for the Environment logo signifies that the formula for this product, as LPS Laboratories has represented it to the EPA, contains ingredients with more positive health and environmental characteristics than conventional cleaners. EPA/DfE relies solely on LPS Laboratories, its integrity and good faith, for information on the composition, ingredients, and attributes of this product. EPA/DfE has not independently identified, i.e., via chemical analysis, the ingredients in the product formula, nor evaluated any of the non-ingredient claims of LPS Laboratories. EPA/DfE expresses its judgment and professional opinion only as to the environmental and human health characteristics of the product, based on currently available information and scientific understanding.

MATERIAL SAFETY DATA SHEET

LPS® T-91

Non-Solvent Degreaser

Revision Date: 1/13/10

Supercedes: 7/20/09

Revision 3

Section 2 • Hazards Identification

This material is considered non-hazardous by the OSHA Hazard Communication Standard (29 CFR 1910.1200). This product has been classified in accordance with the hazard criteria of the Controlled Products Regulations and the MSDS contains all the information required by the Controlled Products Regulations.

Emergency Overview: WARNING: Mild eye irritant.

Primary route(s) of entry: Skin and eye contact.

Potential Acute Health Effects:

Eyes: Irritating to eyes.

Skin: Repeated exposure may cause skin dryness or cracking.

Inhalation: Excessive inhalation of spray mist can cause irritation of the respiratory tract.

Ingestion: Product has a low order of acute oral toxicity, but ingestion of large quantities may cause nausea, vomiting, and gastrointestinal irritation.

Potential Chronic Health Effects:

Carcinogenic Effects: NTP: No IARC: No OSHA: No

Mutagenic Effects: None

Teratogenic Effects: None

Medical conditions aggravated by exposure: Persons with pre-existing skin disorders or chronic respiratory diseases should avoid exposure.

Signs and Symptoms

Stinging in eyes. Repeated or prolonged skin contact can cause redness, irritation, and scaling of the skin (dermatitis). Breathing of high mist concentrations may cause irritation of throat and eyes.

Section 3 • Composition / Information on Ingredients

Component

CASRN

Weight %

This material is considered non-hazardous by the OSHA Hazard Communication Standard (29 CFR 1910.1200).

Section 4 • First Aid Measures

Eyes: Check for and remove contact lenses. If irritation or redness develops, flush eyes with cool, clean, low pressure water for at least 15 minutes. Hold eyelids apart to ensure complete irrigation of the eye and eyelid tissue. Do not use eye ointment. Seek medical attention immediately.

Skin: Remove contaminated shoes and clothing. Rinse affected area thoroughly with water. Do not use ointments. Seek medical attention if irritation persists.

Inhalation: Not a likely route of exposure. Immediately move victim to fresh air. If breathing is difficult, seek medical attention immediately.

Ingestion: If ingested, induce vomiting, and contact a physician. Never give anything by mouth to an unconscious person. If spontaneous vomiting is about to occur, place victim's head below knees. If victim is drowsy or unconscious, place on the left side with head down. Do not leave victim unattended. Seek medical attention immediately.

MATERIAL SAFETY DATA SHEET

LPS® T-91

Non-Solvent Degreaser

Revision Date: 1/13/10

Revision 3

Supersedes: 7/20/09

Section 5 • Fire Fighting Measures

Products of Combustion: Carbon monoxide and carbon dioxide. (Mostly from packaging)

General Fire Hazards: Do not use on energized metal equipment.

Firefighting media: Not Applicable

Sensitivity to Impact: None.

Sensitivity to Static Discharge: None.

Protection Clothing (Fire): Not Applicable

Section 6 • Accidental Release Measures

Containment Procedures Absorb with an inert material and dispose of properly.

Clean-Up Procedures Absorb with an inert material and dispose of properly.

Evacuation Procedures None.

Special Procedures None.

Section 7 • Handling and Storage

Handling: Wear appropriate protective equipment during handling. After handling, always wash hands thoroughly with soap and water.

Storage: Store container between 0°C (32°F) and 54°C (130°F)

Precautions to be taken in handling and storage: Be aware of spilled material on walking surfaces. Do not freeze. Do not ingest.

Section 8 • Exposure Controls / Personal Protection

Engineering Controls: Mists of LPS T-91 can be irritating to respiratory systems. Provide local and/or general exhaust ventilation or other engineering controls as needed.

Personal Protection:

Eye protection Safety glasses. Eye wash fountain and emergency shower facilities are recommended.

Hand protection Direct exposure to skin for extended periods can be irritating. Wear protective gloves (i.e., rubber, nitrile).

Respiratory protection A respirator is not needed under normal and intended conditions of product use. If operators must use LPS T-91 under poorly ventilated conditions, use of a filter mask or even an organic respirator may become necessary to prevent respiratory irritation.

General Hygiene Considerations: Wash hands thoroughly after handling.

Non-Solvent Degreaser

Revision Date: 1/13/10

Revision 3

Supersedes: 7/20/09

Section 9 • Physical and Chemical Properties

Appearance:	Clear liquid	Color:	Colorless
Odor/Taste:	Detergent	Vapor Pressure:	18 mmHg
Solubility Description:	Water soluble	Evaporation Rate (Water=1):	1
Boiling Point:	> 100°C (212°F)	Flash Point (°C):	None
Specific Gravity (Water=1):	1.035	Flash Point Method:	TCC
Vapor Density (air=1):	Not Established	Auto Ignition Temperature (°C):	Not Established
Partition Coefficient (octanol/water):	<0	Viscosity:	~5 cps
V.O.C. Content:	0 g/L per CARB/OTC	pH:	7.3 – 7.7
Flammable limits (estimated):	Not Established	Volatiles:	70-90%

Section 10 • Stability and Reactivity

Chemical Stability:	Product is stable under recommended storage conditions.
Conditions to Avoid:	Extreme heat and freezing.
Incompatibility:	None under typical use circumstances. Reacts with substances that react with water.
Hazardous Decomposition:	None
Hazardous Polymerization:	Will not occur.

Section 11 • Toxicological Information

A: General Product Information

An acute toxicity study of this product has not been conducted. Information given in this section relates only to individual constituents contained in this preparation.

LPS[®] T-91

Non-Solvent Degreaser

Revision Date: 1/13/10

Revision 3

Supersedes: 7/20/09

Section 12 • Ecological Information

Mobility:	Readily absorbed into soil.	Persistence and degradability:	Readily biodegradable.
Bioaccumulative potential:	No bioaccumulation potential	Other adverse effects:	None known.

Section 13 • Disposal Considerations

Waste Status: None.

Disposal: Waste must be disposed of in accordance with federal, state, provincial, and local environmental control regulations.

Note: Chemical additions to, processing of, or otherwise altering this material may make this waste management information inaccurate, incomplete, or otherwise inappropriate.

Section 14 • Transport Information

This material is not regulated by any mode of transportation.

Section 15 • Regulatory information

U.S. Federal Regulations

RCRA Hazardous Waste No.: None

Comprehensive Environmental Response and Liability Act of 1980 (CERCLA): None

Toxic Substances Control Act (TSCA): All components of this product are TSCA inventory listed and/or are exempt.

Superfund Amendments and Reauthorization Act (SARA) Title III

SARA Section 311/312 (40 CFR 370) Hazard Categories: None

This product contains the following toxic chemical(s) subject to reporting requirements of SARA Section 313 (40 CFR 372): No individual section 313 component is present at or above 1%

Section 112 Hazardous Air Pollutants (HAPs): None

State Regulations

New Jersey RTK: Proprietary Mixture NJ TSRN 506301-9070

California: This product does not contain chemical(s) known to the State of California to cause cancer, birth defects or reproductive harm.

California and OTC States: This product conforms to consumer regulations.
